Discover the Gunnar cabinet series

Simplicity that stands out

This collection offers storage solutions that are not only practical but also add an elegant touch to your interior. With its rounded corners, the Gunnar piece radiates warmth, while the sleek design provides the modern edge that gives your interior that little bit extra. No sharp edges, but plenty of character. With a focus on sustainable materials and timeless design, Gunnar adds a touch of refinement to any space without compromising on functionality.

made in Holland

With an eye to the future

Produced in the Netherlands

The Gunnar cabinet series combines timeless Scandinavian design with the warm charm of solid pine wood. Each piece of furniture is made from FSC®-certified and other responsibly sourced materials. Thanks to production in our own factory in the Netherlands, we can guarantee high quality and great attention to detail.
