Discover the Basu cabinet series
Playful lines in natural tones

Are you looking for storage with a stylish look? Then the Basu cabinet series is perfect for you! The series is made of pine wood and stands out for its playful lines, natural colors, and timeless Scandinavian design.

What makes the Basu series extra special is the option to choose a concrete-look top. With this add-on, you can easily give Basu a completely different appearance. The tabletop is made of concrete decor, adding a sturdy, modern touch.

With an eye to the future

Produced in the Netherlands

The Basu cabinet series combines timeless Scandinavian design with the warm charm of sturdy pine wood. Each piece of furniture is made from pine sourced from an FSC®-certified supplier. Thanks to production in our own factory in the Netherlands, we can guarantee high-quality craftsmanship and attention to detail.
