# Discover the Nova cabinet series

*WOOOD design with character*

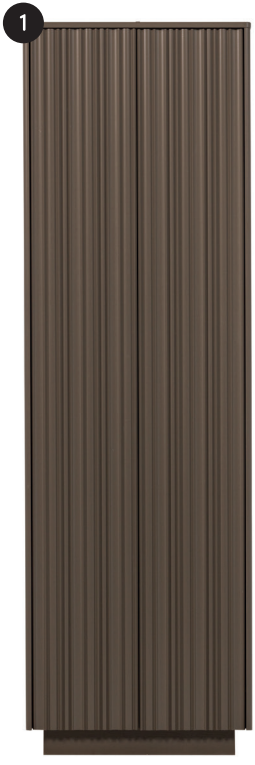

The Nova cabinet series combines a warm, natural appearance with the practical storage space you need. The graphically designed doors create a modern statement.

The Nova cabinet series is designed and produced in the Netherlands, ensuring high quality and craftsmanship. The Nova is made from materials sourced from well-managed, FSC®-certified forests and other controlled sources.

# With an eye to the future

## *Manufactured in the Netherlands*

The Nova cabinet series is fully produced in our own factory in North Holland. Where craftsmanship and attention to detail come together at every stage of the production process.

The elements are delivered flat-packed, requiring less space during transport and storage. With the Nova cabinet series, you choose both style and functionality, and thanks to the flat-packed delivery you make a conscious choice.
