YOUR UNIQUE TABLE

tablo

A photograph of a modern interior space. On the left, a portion of a light-colored wooden table is visible. Next to it is a tall, narrow wooden display cabinet with glass doors and shelves, containing various decorative objects. In the foreground, a modern, rounded chair with a textured fabric seat is partially visible. The background is a plain white wall.

# YOUR UNIQUE TABLE

ALWAYS BEEN SEARCHING FOR THE IDEAL TABLE? CREATE YOUR  
UNIQUE TABLE WITH THE TABLO COLLECTION OF WOOD!

The concept is simple: by choosing the tabletop, color and  
table leg you can create a table that matches your living style.  
The tabletops and part of the table legs are made of solid oak  
in which you choose from the colors: Transparant, Dakargrau,  
Pebble Grey, Cashmere Brown, Mystic Brown and Blacknight.

Determine the shape of the table leg and additionally  
choose between the different oak and metal table legs.

The solid oak wood that is used in the  
Tablo collection is FSC®-certified.

# IN 3 STEPS

1

## CHOOSE THE TABLETOP

Create your unique tabletop by choosing from the different shapes -ranging from playful organic to symmetrical square-, the desired size and the wood joint.

2

## CHOOSE THE COLOR

The solid oak can be finished in one of the following colors:  
Transparant, Dakargrau, Pebble Grey, Cashmere Brown,  
Mystic Brown or Blacknight.

3

## CHOOSE THE TABLE LEG

The Tablo collection offers a wide range of table legs.  
Determine the shape of the table leg and additionally  
choose between the different oak and metal table legs.

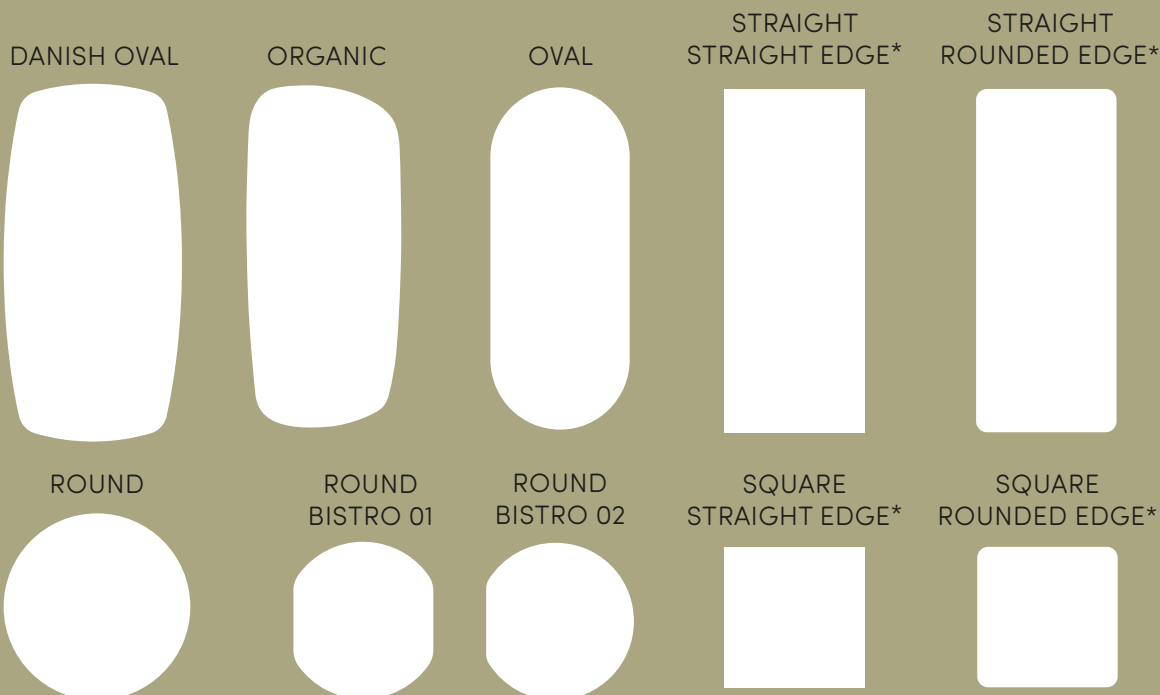

# TABLETOPS

The tabletops of the Tablo collection consist of the shapes below, ranging from playful organic to symmetrical square. There are two types of wood joints available: finger-jointed and slat. Finger jointed tops consist of smaller strips of oak glued together, creating a unique pattern. Slat tops consist of wide, long slats glued along the entire length of the tabletop. This gives the table a smooth appearance. All tabletops are lightly brushed, which accentuates the grain marks even more and makes the (stain) colors stand out beautifully.

# COLOURS

The tabletops are available in six different colors: Transparent, Dakargrau, Pebble Grey, Cashmere Brown, Mystic Brown and Blacknight. The untreated oak has a natural light brown color and a visible grain pattern. The tabletops are finished with a water-based (stain) color. The oak wood in our collections is 100% FSC®-certified.

## THE TABLE LEGS

The Tablo collection offers a wide range of table legs. The Haarlem leg features an elegant, natural look, crafted from solid oak and available in the same six colours as the tabletops.

The Zaandam leg has a modern, organic appearance, made of metal and available in chrome or dark sand. The Holland and Holland XL metal legs are bold yet refined, and available in dakargrau and black finishes.

## DANISH OVAL

A DANISH OVAL TABLETOP COMBINES  
THE CHARACTERISTICS OF AN OVAL  
AND A RECTANGULAR TABLE.

The Danish oval tabletop is available in  
different lengths: 180 cm, 200 cm, 210 cm,  
220 cm and 240 cm, with a width of 100 cm.  
The top distinguishes itself because the shape  
is flattened at the end and gently bends inward.  
The displayed tabletops also feature a panel  
edge finish, which gives them an elegant  
and refined appearance.

# FROM DESIGN

The process starts at our design department where the products are designed and finalized. Once you have ordered 'your unique table', it is custom-made in our factory in Zwaagdijk-Oost. The oak tabletop is milled into the desired shape, lightly brushed, lacquered or stained in our spray booth and then carefully packed. The tabletops are made of solid FSC®-certified oak, which makes it a responsible choice!
